*Public Health Reports* (0033-3549) is published bi-monthly by Oxford University Press, 2001 Evans Rd., Cary NC 27513-2009. Periodicals Postage Paid at Boston MA 02205-9998 and additional mailing offices. Postmaster: Send address changes to *Public Health Reports*, Journals Customer Service Department, Oxford University Press, 2001 Evans Rd., Cary NC 27513-2009.

## Subscription, Permission, and Copyright Information

Subscription is on a yearly basis. The annual rates are US\$30 (£25 in UK and Europe) for individuals; US\$40 (£30 in UK and Europe) for institutions. Single issues are available for US\$6.25 (£5.25 in UK and Europe) for individuals and US\$8.50 (£6.25 in UK and Europe) for institutions. All prices include postage. Individual rates are only applicable when a subscription is for individual use and are not available if delivery is made to a corporate address. All subscriptions, single issue and back issue orders, changes of address, and claims for missing issues should be sent to: NORTH AMERICA: Oxford University Press, Journals Customer Service, 2001 Evans Rd, Cary NC 27513-2009, USA; tel. toll-free in the USA and Canada 800-852-7323 or 919-677-0977; fax 919-677-1714; e-mail [jnorders@oup-usa.org](mailto:jnorders@oup-usa.org). ELSEWHERE: Oxford University Press, Journals Customer Service, Great Clarendon St., Oxford OX2 6DP, UK; tel. +44 1865 267907; fax +44 1865 267485; e-mail [jn.orders@oup.co.uk](mailto:jn.orders@oup.co.uk).

Advertising: PRC Associates, The Annexe, Fitznells Manor, Chessington Rd, Ewell, Surrey KT17 1TF UK; tel. +44 181 787-7262; fax +44 181-786-7262; e-mail [mail@prcassoc.co.uk](mailto:mail@prcassoc.co.uk).

Requests for permissions, reprints, and photocopies: All rights reserved; no part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without either prior written permission of the publisher (Oxford University Press, Journals Special Sales, Great Clarendon St., Oxford OX2 6DP, UK; tel. +44 1865 267561; fax +44 1865 267985) or a license permitting restricted copying issued in the USA by the Copyright Clearance Center, 222 Rosewood Dr., Danvers MA 01923 (fax 508-750-4744) or in the UK by the Copyright Licensing Agency Ltd., 90 Tottenham Court Rd., London W1P 9HE. Reprints of individual articles are available only from the authors.

It is a condition of publication in the journal that authors assign copyright to the Association of Schools of Public Health (ASPH). This ensures that requests from third parties to reproduce articles are handled efficiently and consistently and will also allow the article to be as widely disseminated as possible. Although assigning copyright, authors may use their own material in other publications provided that the journal is acknowledged as the original place of publication and Oxford University Press is notified in writing and in advance.

Material published in this journal may be used, modified, reproduced, and distributed by the US Government for Government purposes.

*Public Health Reports* is printed on acid-free paper that meets the minimum requirements of ANSI Standard Z39.48-1984 (Permanence of Paper).

Oxford University Press is a department of the University of Oxford. It furthers the University's objective of excellence in research, scholarship, and education by publishing worldwide.

This index to *PUBLIC HEALTH REPORTS* is divided into a subject index and an author index. The subject index has one or more entries for each item published. In addition to the subject headings, categorical headings include ASPH, BOOK REVIEWS, CHRONICLES, COMMENTARY, DATA LINE, EDITORIALS, LETTERS TO THE EDITOR, PHOTO FEATURES, PUBLIC HEALTH SERVICE, PUBLICATION ANNOUNCEMENTS, REVIEWS, TECHNOLOGY, and VIEWPOINT.

## SUBJECT INDEX

### ABUSE, PHYSICAL

domestic violence and sexually transmitted diseases: the experience of prenatal care patients. a 262  
 WHO calls child abuse major public health problem. br 296

### ABUSE, SUBSTANCE

alcohol sales to pseudo-intoxicated bar patrons. a 337  
 drug prohibition and public health: 25 years of evidence. a 14  
 from social drinking...to public problems. pho 236  
 the impact of a needle exchange's closure. a 439  
 racial discrimination and alcohol-related behavior in urban transit operators: findings from the San Francisco muni health and safety study. a 448  
 response on drug policy. ltr 99  
 SAMHSA publishes: data source book. br 11  
 SAMHSA publishes: report on older adults and substance abuse. br 11

was Nixon right? rev 188

### ACCESS TO HEALTH CARE

building the next generation of "healthy people." a 212  
 future of public health. e 203  
 HRSA's models that work program: implications for improving access to primary health care. a 218  
 not all health plan consumers protected equally, study finds. br 8  
 sharing responsibility for the public's health. v 231

### ADOLESCENTS

TV sex misses opportunity to educate audiences on safer sex. br 209  
 unlearning violence. phs 478

### AGENCY FOR HEALTH CARE POLICY AND RESEARCH (AHCPR)

AHCPR offers resources for consumers, providers, and health agencies. br 107

### AIDS (see also HIV INFECTION)

cross-matching TB and AIDS registries: TB patients with HIV co-infection, United States, 1993–1994. a 269  
 the impact of a needle exchange's closure. a 439  
 NIH dedicates new vaccine research center, announces AIDS vaccine effort. br 301  
 trial marriage: Florida's experience in consolidating HIV/AIDS, STD, and TB programs. a 74

### ALASKA NATIVE

asthma prevalence among American Indian and Alaska Native children. a 257

### ALCOHOL

alcohol sales to psuedo-intoxicated bar patrons. a 337  
 from social drinking to public problems. pho 236  
 photo essay. ltr 488  
 racial discrimination and alcohol-related behavior in urban transit operators: findings from the San Francisco muni health and safety study. a 448

### ANIMALS

hoarding of animals: an under-recognized public health problem in a difficult-to-study population. a 81

### ARTHRITIS

CDC targets arthritis, a leading cause of disability. br 102

### ASSOCIATION OF SCHOOLS OF PUBLIC HEALTH (ASPH)

a collaborative effort to develop a data collection system. asph 565  
 demonstrating excellence in academic public health practice. asph 480

practice in the schools of public health. asph 288  
schools of public health and practice an environmental  
health partnership: bringing students to the science.  
asph 384  
to our colleagues in the practice and public health  
communities. asph 96  
where we stand. asph 194

## ASTHMA

asthma prevalence among American Indian and Alaska  
Native children. a 257  
effect of insurance coverage on the relationship between  
asthma hospitalizations and exposure to air pollution.  
a 135  
NHLBI website: asthma management. br 104  
NIH launches interactive asthma exhibition. br 206

## BIOTERRORISM

\$40 million for bioterrorism preparedness. br 491  
cities need new drugs, diagnostic tests, and software to  
prepare for chemical, biological attacks. br 106  
US, Russia collaborate on post-traumatic stress. br 10

## BLACKS (see also MINORITIES)

initiative to eliminate racial and ethnic health disparities is  
moving forward. phs 283  
minority enrollment declines in California medical schools.  
br 395  
racial discrimination and alcohol-related behavior in urban  
transit operators: findings from the San Francisco muni  
health and safety study. a 448

## BOOK REVIEWS

death in gotham. rev 186  
sweet justice: domestic hunger and the limits of charity.  
rev 381  
was Nixon right? rev 188

## CANCER

NIDCR combats oral complications of cancer treatment.  
br 204  
NIEHS report summarizes evidence on electric and  
magnetic fields. br 395  
WHO launches global cancer control strategies. br 101  
WHO pushes first cervical cancer vaccine. br 211  
women with localized breast cancer selecting mastectomy  
treatment, Iowa, 1991–1996. info 370

## CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

\$40 million for bioterrorism preparedness. br 491  
agencies target diabetes—CDC launches diabetes research  
program. br 205  
CDC finds low breastfeeding rates, more children  
overweight. br 209  
CDC offers state-specific tobacco data on the web. br 300

CDC targets arthritis, a leading cause of disability. br 102  
the Kansas City field station, 1950–1973. chr 377  
preventing emerging infectious diseases as we enter the 21st  
century: CDC's strategy. v 130  
public health officials to get new communication tools.  
br 12  
suicide and public health. phs 198

## CHILDREN

AAP and PHS urge reduction of mercury in vaccines. br 394  
asthma prevalence among American Indian and Alaska  
Native children. a 257  
CDC finds low breastfeeding rates, more children  
overweight. br 209  
children at work. pho 126  
a community strategy for Medicaid child dental services.  
a 528  
limit children's work hours, report says. br 105  
methylmercury: a new look at the risks. a 396  
more on measles. ltr 4  
a real plan of action on mercury. c 416  
report calls for managed health care to be shaped to  
children's needs. br 7  
stolen dreams. pho 516  
vaccine coverage. ltr 3  
viral meningitis in child care center staff and parents: an  
outbreak of echovirus 30 infections. a 249  
WHO calls child abuse major public health problem. br 296

## CHRONICLES

a forgotten enemy: PHS's fight against the 1918 influenza  
pandemic. chr 559  
all quiet on the third coast: medical inspections of  
immigrants in Michigan. chr 178  
the Kansas City field station, 1950–1973. chr 377

## COMMENTARY

a real plan of action on mercury. c 416  
using the birth certificate to monitor smoking during  
pregnancy. c 71

## COMMUNICABLE DISEASES (see INFECTIOUS DISEASE, HIV INFECTION, SEXUALLY TRANSMITTED DISEASES)

## COMMUNITY HEALTH

building the next generation of "healthy people." a 212  
can a community inject public health values into  
transportation questions? v 40  
the case for a partnership with self-help groups. v 322  
a community strategy for Medicaid child dental services.  
a 528  
a community-wide infant mortality review: findings and  
implications. a 165  
complexity and connection. e 391  
a comprehensive refugee health screening program. a 469

HRSA's models that work program: implications for improving access to primary health care. a 218  
 sharing responsibility for the public's health. v 231  
 survivors of torture. ltr 489

#### DATA BASES AND DATA FILES

an algorithm to match registries with minimal disclosure of individual identities. info 91  
 Medicaid managed care and public health data. v 225  
 public health officials to get new communication tools. br 12  
 SAMHSA publishes: data source book. br 11

#### DATALINE (National Center for Health Statistics)

AIDS falls from top 10 causes of death in preliminary 1997 vital statistics. dat 94  
 latest data on ambulatory medical care; new information on managed care. dat 562  
 NCHS launches latest national health and nutrition examination survey. dat 190  
 NCHS research data center opens. dat 281

#### DEAFNESS

deafness and mortality: analyses of linked data from the national health interview survey and national death index. a 330  
 hearing impairment data. ltr 393

#### DENTAL HEALTH

a community strategy for Medicaid child dental services. a 528  
 NIDCR combats oral complications of cancer treatment. br 204  
 NIDR is now NIDCR. br 204

#### DIABETES

agencies target diabetes—CDC launches diabetes research program. br 205  
 agencies target diabetes—HRSA's national diabetes collaborative. br 205

#### DISABILITY

CDC targets arthritis, a leading cause of disability. br 102

#### DRUG ABUSE (see ABUSE, SUBSTANCE)

#### DRUGS

cities need new drugs, diagnostic tests, and software to prepare for chemical, biological attack. br 106  
 patent medicines and the public's health. a 318

#### ECONOMICS

nonprofit to for-profit conversions by hospitals, health insurers, and health plans. a 108

#### EDITORIALS

complexity and connections. e 391  
 contents of issue. e 295

editor transition, other PHR changes. e 99  
 future of public health. e 99  
 "healthy people" future of public health. e 203  
 a personal farewell. e 3  
*Public Health Reports* changes in cosponsorship, printing. e 3

#### ELDERLY

SAMHSA publishes: report on older adults and substance abuse. br 11

#### ENVIRONMENTAL HEALTH

AAP and PHS urge reduction of mercury in vaccines. br 394  
 Appalachian coal miners combine mutual help and advocacy. v 326  
 center to review evidence of chemical threats to human reproduction. br 103  
 cities need new drugs, diagnostic tests, and software to prepare for chemical, biological attacks. br 106  
 complexity and connections. e 391  
 death in gotham. rev 186  
 development of a surveillance program for occupational pesticide poisoning: lessons learned and future directions. a 242  
 effect of insurance coverage on the relationship between asthma hospitalizations and exposure to air pollution. a 135  
 eliminating mercury use in hospital laboratories: a step toward zero discharge. a 353  
 federal panel to look at plasticizers. br 297  
 implementation of EPA's worker protection standard training for agricultural laborers: an evaluation using North Carolina data. a 459  
 mercury risks: controversy or just uncertainty? a 512  
 methylmercury: a new look at the risks. a 396  
 more research needed to ensure environmental justice. br 208  
 NIEHS report summarizes evidence on electric and magnetic fields. br 395  
 panel endorses new non-animal test to determine chemical burn, corrosion. br 394  
 pesticide safety training. ltr 488  
 a real plan of action on mercury. c 416  
 states cleaning up thousands of contaminated sites, study reveals. br 13

#### ETHNICITY

asthma prevalence among American Indian and Alaska Native children. a 257  
 health education guides target Hispanic Americans. br 206  
 the initiative to eliminate racial and ethnic health disparities is moving forward. c 283  
 minority enrollment declines in California medical schools. br 394  
 racial discrimination and alcohol-related behavior in urban transit operators: findings from the San Francisco muni health and safety study. a 448

## EVALUATION

federal panel to look at plasticizers. br 297

## EYES

WHO launches vision 2020 to combat avoidable blindness.  
br 210

## FOOD POISONING

an outbreak of hepatitis a associated with an infected  
foodhandler. a 157  
complexity and connections. e 391  
cyclosporiasis associated with imported raspberries, Florida,  
1996. a 427  
mercury risks: controversy or just uncertainty? v 512  
methylmercury: a new look at the risks. a 396  
a real plan of action on mercury. c 416

## FOOD (see NUTRITION)

## GENETICS

center to review evidence of chemical threats to human  
reproduction. br 103

## HEALTH AGENCIES

AHCPR offers resources for consumers, providers, and  
health agencies. br 107  
IOM on core functions. ltr 6

## HEALTH CARE POLICY

building the next generation of "healthy people." a 212  
the case for a partnership with self-help groups. v 322  
drug prohibition and public health: 25 years of evidence. a 14  
IOM on core functions. ltr 6  
not all health plan consumers protected equally, study finds.  
br 8  
report calls for managed health care to be shaped to  
children's needs. br 7  
sharing responsibility for the public's health. v 231  
strengthening the links between the public health  
community and health professions regulation. a 421  
welfare reform: advocacy & intervention in the health care  
setting. a 540

## HEALTH CARE SYSTEM

building the next generation of "healthy people." a 212  
a conversation on medical injury: a 302  
Dr. Leape replies. ltr 392  
future of public health. e 203  
IOM on core functions. ltr 6  
nonprofit to for-profit conversions by hospitals, health  
insurers, and health plans. a 108  
patent medicines and the public's health. a 318  
report calls for managed health care to be shaped to  
children's needs. br 7  
self-regulation is a failure. ltr 392  
sharing responsibility for the public's health. v 231

strengthening the links between the public health  
community and health professions regulation. a 421  
welfare reform: advocacy & intervention in the health care  
setting. a 540

## HEALTH EDUCATION

graduate education programs in life sciences should curtail  
growth. br 9  
health education guides target Hispanic Americans. br 206  
NIH launches interactive asthma exhibition. br 206  
NLM helps consumers find answers to medical questions. br  
103  
PHS offers one-stop shopping for women's health. br 104  
TV sex misses opportunity to educate audiences on safer  
sex. br 209  
women's health exhibit to tour US. br 207

## HEALTH INSURANCE

44.3 million in US lack health insurance. br 491  
counting the uninsured using state-level hospitalization data.  
a 149  
effect of insurance coverage on the relationship between  
asthma hospitalizations and exposure to air pollution. a 135  
nonprofit to for-profit conversions by hospitals, health  
insurers, and health plans. a 108  
not all health plan consumers protected equally, study finds.  
br 8  
report calls for managed health care to be shaped to  
children's needs. br 7

## HEALTH PROMOTION AND DISEASE PREVENTION

agencies target diabetes—CDC launches diabetes research  
program. br 205  
agencies target diabetes—HRSA's national diabetes  
collaborative. br 205  
health education guides target Hispanic Americans. br 206  
NIH launches interactive asthma exhibition. br 206  
photo was "right on." ltr 6  
preventing emerging infectious diseases as we enter the 21st  
century: CDC's strategy. v 130  
women's health exhibit to tour US. br 207

## HEALTH RESOURCES AND SERVICES ADMINISTRATION (HRSA)

agencies target diabetes—HRSA's national diabetes  
collaborative. br 205  
HRSA's models that work program: implications for  
improving access to primary health care. a 218

## HEALTH STATUS

building the next generation of "healthy people." a 212  
reproductive health in South Africa. obs 88

## HIGHWAY SAFETY

can a community inject public health values into  
transportation questions? v 40

## HISPANICS
